

FLOW finance App Installation

SharePoint and OneDrive for Business

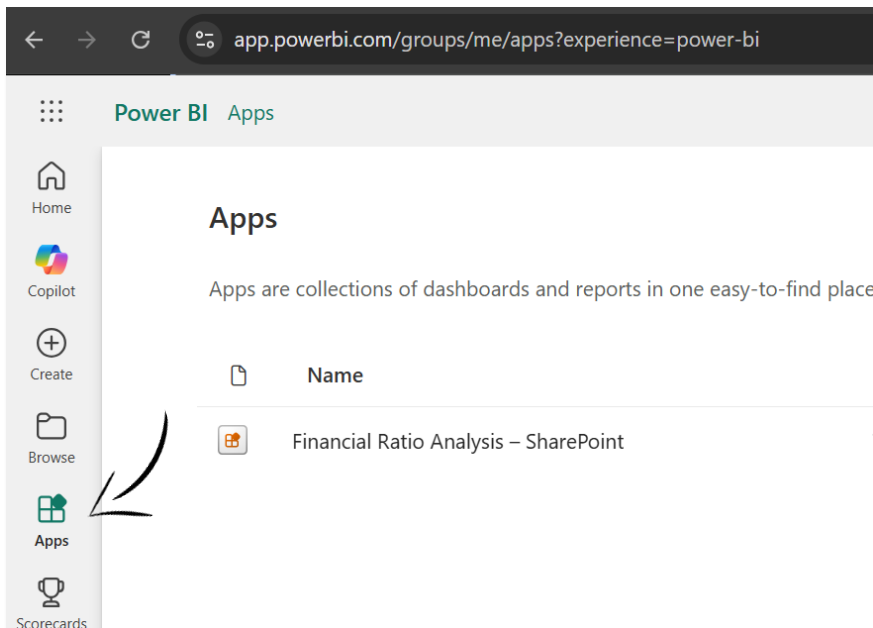

1. Sign in to Power BI <https://www.powerbi.com> with your work account.
2. Copy/Paste the **FLOW finance App** link
3. Click **Install**

4. Click **Go to app**

5. The app will appear under **Apps** in your left navigation.

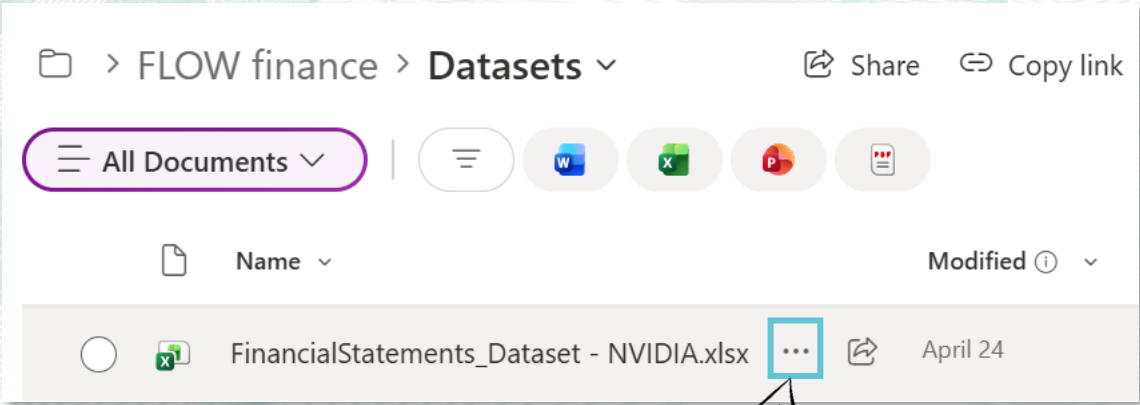

Data Connection

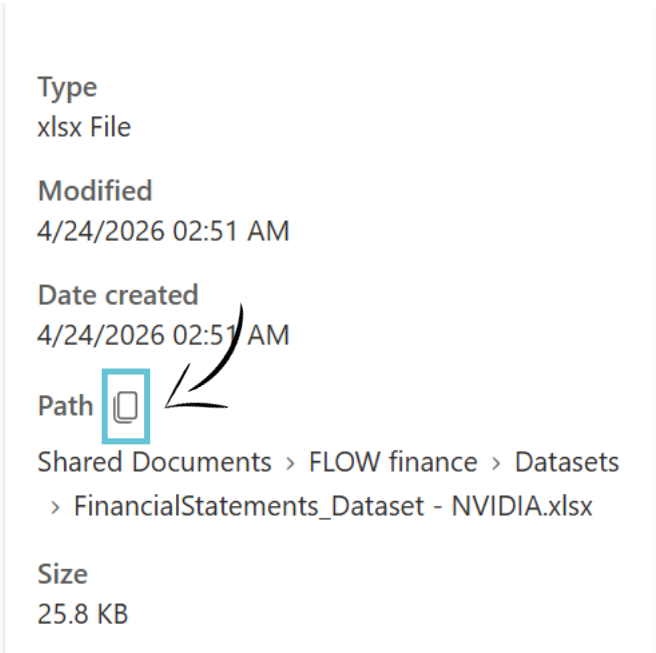

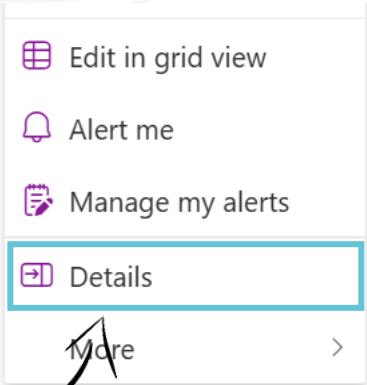

- 1. Upload the FLOW Finance template to your **SharePoint** or **OneDrive for Business**.

You can use any folder structure you like; however, for better organization, we recommend creating two subfolders:

FLOW finance
└── Datasets

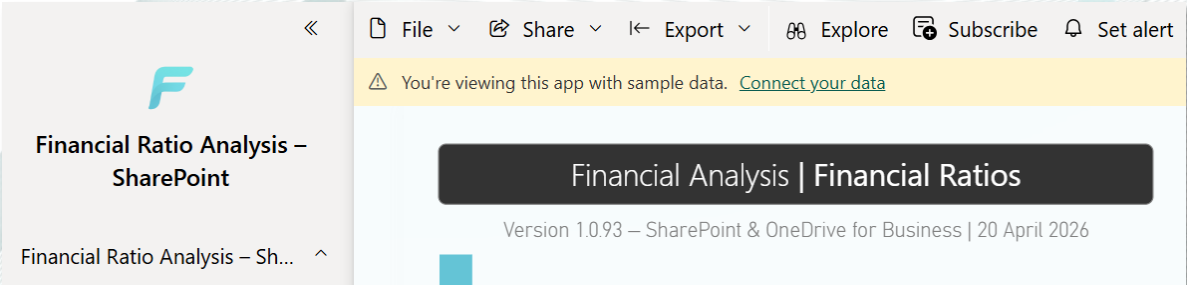

- 2. Click the **ellipsis** “...” → click **Details** → click **Path** (Copy direct link).

Data Connection

3. Open the Financial Ratio Analysis report. From the top banner, click **Connect your data**.

4. Paste the SharePoint or OneDrive for Business URL and enter your AccessKey (sent to you by exca Insight via email).

AccessKey *

Enter your subscription code to unlock full access to report data and premium features.

For example: DEMO

DataSourceUrl *

For example: SharePoint or OneDrive URL

Data Connection

8. Set the Privacy level to **Organizational** for both your SharePoint or OneDrive for Business file and the AI API.
